

To whom it may concern

Subject: TANDU Technologies and Security Systems LTD.

Dear Sir, Madam,

We are pleased to confirm that TANDU Technologies and Security Systems LTD. was engaged by the Basque Police for design, management, integration and monitoring through the implementation of integrated security systems, and for the planning and implementation of a range of security related training and qualification courses for the professional police staff and the special units.

TANDU performed development of operational requirements, detailed design, technical specifications, systems integration, projects management, definition of training and qualification requirement, course planning and training.

The security projects were performed to our full satisfaction.

Sincerely yours,

Javier Inda

Security Vice Minister Deputy Director

Basque Police
