To whom it may concern

Subject: TANDU Technologies and Security Systems LTD.

Dear Sir, Madam,

We are pleased to confirm that TANDU Technologies and Security Systems is performing planning, design, management and monitoring through the implementation of integrated security systems.

The team is engaged in the development of the security master plan and the operational requirements for the security of the installations, detailed design of the security systems, definition of the technical specifications, projects management and acceptance tests.

The security projects are performed throughout the country and to our full satisfaction.

Best regards,

Dary Yalon
